Cheviot Savings Bank Charitable Foundation Partners with Delhi Township to Support Summer Recreational Programs and Upgrade Baseball Field

Kevin Kappa, Vice President of Cheviot Savings Bank, presented a \$15,000 check on behalf of the Cheviot Savings Bank Charitable Foundation to Delhi Township Trustees at their meeting on Wednesday evening. While a portion of the money has been allocated for the Park's Summer Recreational Programs the majority has been designated for upgrading one of the park's many baseball fields.

Field #4, located in the center of Delhi Park at 5125 Foley Road, will undergo a major transformation. The field, which will be renamed Cheviot Savings Bank Field, will have home plate relocated to expand foul territory, an outfield fence installed, the backstop fencing upgraded, improvements made to the player bench areas and a scoreboard installed.

Following these improvements Cheviot Savings Bank Field will not only be able to accommodate Class D and Class C Knothole games as it has in the past, it will also be able to accommodate all levels of Fast Pitch softball.

Kappa said "Cheviot Savings Bank welcomes the opportunity of being a major player in the renovation and improvements in the Delhi community. Delhi has always been important to Cheviot Savings Bank because we have been providing banking services to a very large customer base in this community for many years."

Delhi Township President Trustee Jerry Luebbers gratefully acknowledged receipt of this donation by saying "This gift allows us to continue our face-lift of playing field inventory and re-enforces our efforts to work with the Delhi business community. We thank Cheviot Savings Bank from the bottom of our hearts."
