Community Notification Telephone Line

Delhi Township has created a Community Notification Telephone Line, 395-DELHI, to help keep its residents informed of what is happening throughout the Township.

During emergency situations, such as snow removal, temporary road or office closures or other similar events, this line will provide information relating to those emergencies. At all other times this line will list information regarding various upcoming community related events.

For additional information, please contact Gerard Schroeder, 513-922-3111.
