Press Release

For Immediate Release **Delhi Pike Work Nears Completion**

The work on Delhi Pike between Anderson Ferry Rd. and Greenwell Avenue is nearing completion. Crews continue to work on the installation of the new traffic signals which has taken longer than originally anticipated. After all of the new traffic signals have been installed, the traffic lights along that section of Delhi Pike will be timed, the sensors activated and the second left turn lane from southbound Anderson Ferry onto eastbound Delhi Pike will be opened.

For additional information, please contact Gerard Schroeder, 513-922-3111.
